looking for the ultimate fully featured "messenger" style bag that's also submersion proof then look no further than FeelFree Gear's FreeRunner EX. on the inside our padded and removable tech sleeve keeps your laptop or tablet safe and secure whilst also providing storage space for passport, wallet, documents, charger and anything else you need to keep safe and to hand. An additional internal mesh multy pocket and an external weatherproof pocket provide more useful storage solutions. You'll find a number of clever carry options on the outside of FreeRunner EX.

Our adjustable cross body shoulder strap includes a comfortable shoulder pad that hides a stabiliser strap that'll keep your bag secure on your back when the action gets tough on two feet or on two wheels. A strong top grab handle and useful velcro strap that attaches your FreeRunner to your cabin luggage's retractable handle complete this most versatile bag.

THE FEELFREE WARRANTY

Feelfree Gear warrant all products against defects in materials and workmanship for 1 years from the date of retail purchase. Feelfree Gear reserve the right to repair or replace any warranted product at their discretion. Please note that wear or tear and any consequential loss is not covered by warranty. If you have a warranty issue, please contact the Feelfree Gear dealer from where you originally purchased your Feelfree Gear product for assistance. Please supply date and proof of purchase, and photos of issue for speedy service.

- N** - Not Waterproof
- Level 1** - Material is totally waterproof but seams or zips may leak if subjected to prolonged exposure to water or high water pressure. Not suitable for accidental submersion. Ideal for heavy duty weatherproof travel luggage.
- Level 2** - Quick submersion proof. Completely waterproof material and High Frequency Welded Seams with our Tri Fold dry closure. Short term protection from ingress of water if accidentally submerged. Ideal for any activity where you don't intend to get your kit wet but there's a high chance it could happen.
- Level 3** - Submersion proof.

MINI BACKPACK TROPICAL

Detail

Feelfree is renowned for producing quality water sport and outdoor recreational products. This eye-catching, multi-hued waterproof mini backpack draws inspiration from the exotic Bird of Paradise flower, and assorted flora and fauna of S/E Asia - artfully coordinated with plain colour materials.

Crafted in supple waterproof canvas with seam seal construction, this cute, feminine and compact backpack is ideal for holding the essentials for an active day out, allowing a hands-free experience when hopping on public transport, visiting cafes or on weekend trips exploring the city. And it's just the right size for protecting your electronics and other valuables from the elements, no matter how the weather turns out.
